DISPENSARIES & LOUNGES

1 The Apothecarium – Marina

2 The Apothecarium – Castro

From chandeliers to rich fabrics, this swanky dispensary makes replenishing your stash an elevated and educational experience. Check their website for more on in-store events featuring local farmers, cool confections, and small-batch stock.

3 Barbary Coast Collective

Experienced “bud” tenders at this saloon-like spot guide your purchasing decisions, which can later be enjoyed in the Lounge, where you can smoke, vape, or zone out in front of big-screen TVs.

DON'T FORGET YOUR ID — MOST DISPENSARIES ASK FOR IT!

4 Grass Roots

On the scene for more than ten years, this dispensary offers a comprehensive selection of products — from pre-rolls to fresh flowers to edibles — along with the expertise to help you score exactly what you're looking for.

5 San Francisco Patient Resource Center

The “high” design of this dispensary (also known as **SPARC**) offers a thoroughly modern club-like experience. Kick back in the superbly sleek vape lounge and check the events calendar for activities such as game night and free demos.

OUTDOOR CHILL ZONES

10 Alamo Square

High on a hill, Alamo Square is a short walk away and offers a panoramic view of the skyline and the city's famous Painted Ladies, plus plenty of green space to sprawl out.

11 Hippie Hill

Once home to impromptu jam sessions by The Grateful Dead, this sloping expanse in Golden Gate Park was an iconic fixture during the counterculture of the 1960s. Soak in the sun, the sights, and the likely sounds of a drum circle or two.

MUNCHIES AFTER DARK

6 Nopa

Nab a bar stool, satisfy your after-hours burger cravings, and order extra fries at this buzzy spot.

7 Bob's Donuts

Open 24 hours, seven days a week — need we say more?

8 Kebab King

Spice up your night at this no-frills Pakistani place serving up a full menu of curries, kebabs, and samosas.

YOUR BEST BETS FOR LATE-NIGHT EATS (OPEN TIL 1 A.M. OR LATER ON WEEKENDS!)

9 Los Hermanos Taqueria

Tucked away in a corner liquor store (Mid City Foods), this tasty hole-in-the-wall offers counter service and a California al pastor burrito stuffed with French fries until 1:45 a.m. on Friday and Saturday nights.

12 Mission Dolores Park

Located in one of the city's warmer micro-climates, this park is perhaps the best — and sunniest — spot for people watching. Bring a blanket, pack a picnic, and enjoy the show.

Due to liquor license restrictions, the consumption of cannabis or cannabis products is not permitted anywhere in the hotel. Hotel Kabuki does not endorse any particular vendor appearing on the map; it is offered for informational purposes only. Please ingest responsibly.
